

# U.S. Healthcare has cancer

## “Dr. Deane” Waldman has the cure

### Ask Dr. Deane about:

- Why do prices keep going up and up?
- How can you get care when you need it?
- Where do our healthcare dollars really go?
- Why are the best doctors quitting?
- Why is health care NOT a right?
- Will Medicare run out of money?
- Why do Americans die waiting for care?
- Can concierge medicine work for me?
- Why “fixes” make healthcare worse
- Single Payer is answer—if YOU are the payer!

*Available nationwide and via Zoom for interviews, panels, podcasts and conferences*
